

A first in the industry...

Deliver direct to your customer's end user with **FTUK EXPRESS PLUS!**

New Service

- Use your customer's details in the sender section of the delivery note
- No reference to FTUK or your business on the paperwork
- Next day delivery to your customer's end user
- Include your customer's order number
- Save on handling and shipping costs

How to use FTUK EXPRESS PLUS

- 1 Proceed through the checkout with your order, as usual.
- 2 On the delivery options screen, select the existing address you want to send the delivery to from the **Deliver Direct to Customer** section, or, for a new customer, fill in the delivery details in the **Add new 'Direct to Customer' Address** section.
